The second night of the Ice Carnival at the Universalist church was very largely attended and was most successful and enjoyable. About one hundred and seventy-five were seated at the supper and the popularity of the minstrel show was again proven by an attendance that crowded the vestry. The entertainment was very well presented, especially good jokes being given, and the songs by Alex. Troup and Thomas J. Mercer received the accolade that they well merited.

The Rev. Ralph Gilliam, who conducted special religious services in Barre recently, is meeting with great success in Lyndonville. The Union-Journal of that place says: "At the men's meeting Sunday afternoon 255 men were present and it was, without doubt, one of the most impressive, earnest and helpful religious services ever held here. Mr. Gilliam talked plainly and earnestly to the men regarding their duties as Christian citizens and why they should be professed Christians. His audience was strongly moved and there are probably few, if any, of those who listened to Mr. Gilliam Sunday afternoon, that have not since given the serious and religious side of life more hard thinking than has heretofore been their habit."

PRESIDENT INTERESTED.

Writes a Letter to Member of Inter-church Conference.

New York, Nov. 16.—The Interchurch Conference on Federation, representing twenty-four religious bodies and numbering among its members 600 delegates, began its sessions last evening at Carnegie hall.

On the platform were the members of the committee among whom were the Rev. Messrs. W. H. Roberts, Frank Mason North, John B. Calvert, William L. Haven, Joachim Elmdorf, Charles L. Thompson, Kerri Boyce Tupper and William Haines Ward and Stephen Baker and J. Cleveland Cady.

Dr. William Henry Roberts read the following letter from President Roosevelt, dated July 8:

"I have your letter of the 7th. Indeed, I remember very well the call of your delegation upon me and our talk upon the proposed meeting of the inter-church conference on federation. I have the very highest sympathy with the movement. I feel that indirectly in addition to the great good it will do here, it is perfectly possible that the movement may have a very considerable effect in the Christianizing of Japan, which I feel to be retarded by the divisions among ourselves and by the failure to recognize the fact that the Christian church in Japan must of course assume essentially a Japanese national form."

"So you see I have a very real interest in what you are doing, and only wish it were in my power to attend the meeting as you request, but I regret to say that it is out of the question for me to do so. I am genuinely sorry to have to write you this."

All members of the cantata are requested to attend all rehearsals if possible. Excellent work is being done by those taking a part in the work.

N. B. Ballard of Barre, captain of the uniform team, K. of P., was in town Monday evening to assist the boys here to organize a company. Arrangements are being made to that end.

All interested in, and those who have joined the uniform rank, are earnestly requested to be present next Monday evening, as the company will organize and elect officers. It is expected a tailor will be in the place for the purpose of taking measurements for the uniforms.

The Good Templars have elected the following officers for the three months next ensuing: L. D. Myra Davis; G. T. Clara Darling; V. T. Hattie Robinson; P. C. T. Verne Hudson; chaplain, Charlie Darling; sec., Alice Walker; assistant sec., Mary Brown; F. S. Forest Walker; T. Henry Johnson; M. Merton Briggs; D. M. Florence Cole; G. Shirley Tucker; S. Guy Teasdale; finance com., Merton Briggs; Charlie Darling; Gertrude Mears; sick com., Lou Miller, Earl Kellogg, Mary Brown, Earl Smith, Edith Smith, Henry Johnson.

The large posters for the cantata of Joseph have been put up in this town, Plainfield, Cabot, Calais, and Peacham and are very attractive. The dates for the production are Tuesday and Wednesday evenings, Nov. 28 and 29. The costumes and stage draperies will be far better than any ever seen in this place before. The Wilder Music House have already placed a fine Everett piano here for use during the cantata rehearsals and production. The management expects to issue in a few days a very attractive program, fully describing the cantata.
